

Boston April 30th 1841

Mr and Mrs Chapman,

Esteemed friends:

Your safe arrival on the Haytian Sail, the warm reception and kind attention, you have rec^d at ^{the} hands of the friends in this country, as communicated to us in your heart cheering epistles, have been highly gratifying to your numerous friends this side of the wide waters. Indeed it is not easy for my pen to portray the deep interest felt and expressed in your behalf. The news of the improvement of Mr. Chapman's health has been rec^d with much joy and gratitude to God. The loss of your labour in the great field of Liberty and humanity for a spell is sensibly felt and acknowledged. We truly miss the devoted friends of the Slave, but we do not mourn as those that have no hope. For we know that if God prosper you, you will be with us again. Besides we believe that your visit to Hayti will ^{be} a precious benefit to the Anti-Slavery cause. I regret to say that since your absence nothing special has been done to advance the interest of our Society. Chase has left

us and gone to Providence to reside,
and Friend has not as yet returned.
Mr Garrison is constant on his Tours
Lecturing indefatigably and doing
New organization much damage in
some places.

The health of your friends are in general
very good. I present you my tenderest
Sympathy for the loss of your Infant
Boy who departed this life since you
left us, all the particulars of which
have no doubt reached ^{be}fore this.

President Wm H. Harrison and Mayor
of the Boston Atlas, both have died very
suddenly.

Miss Susan Paul has also left us,
she died the 19th Inst.

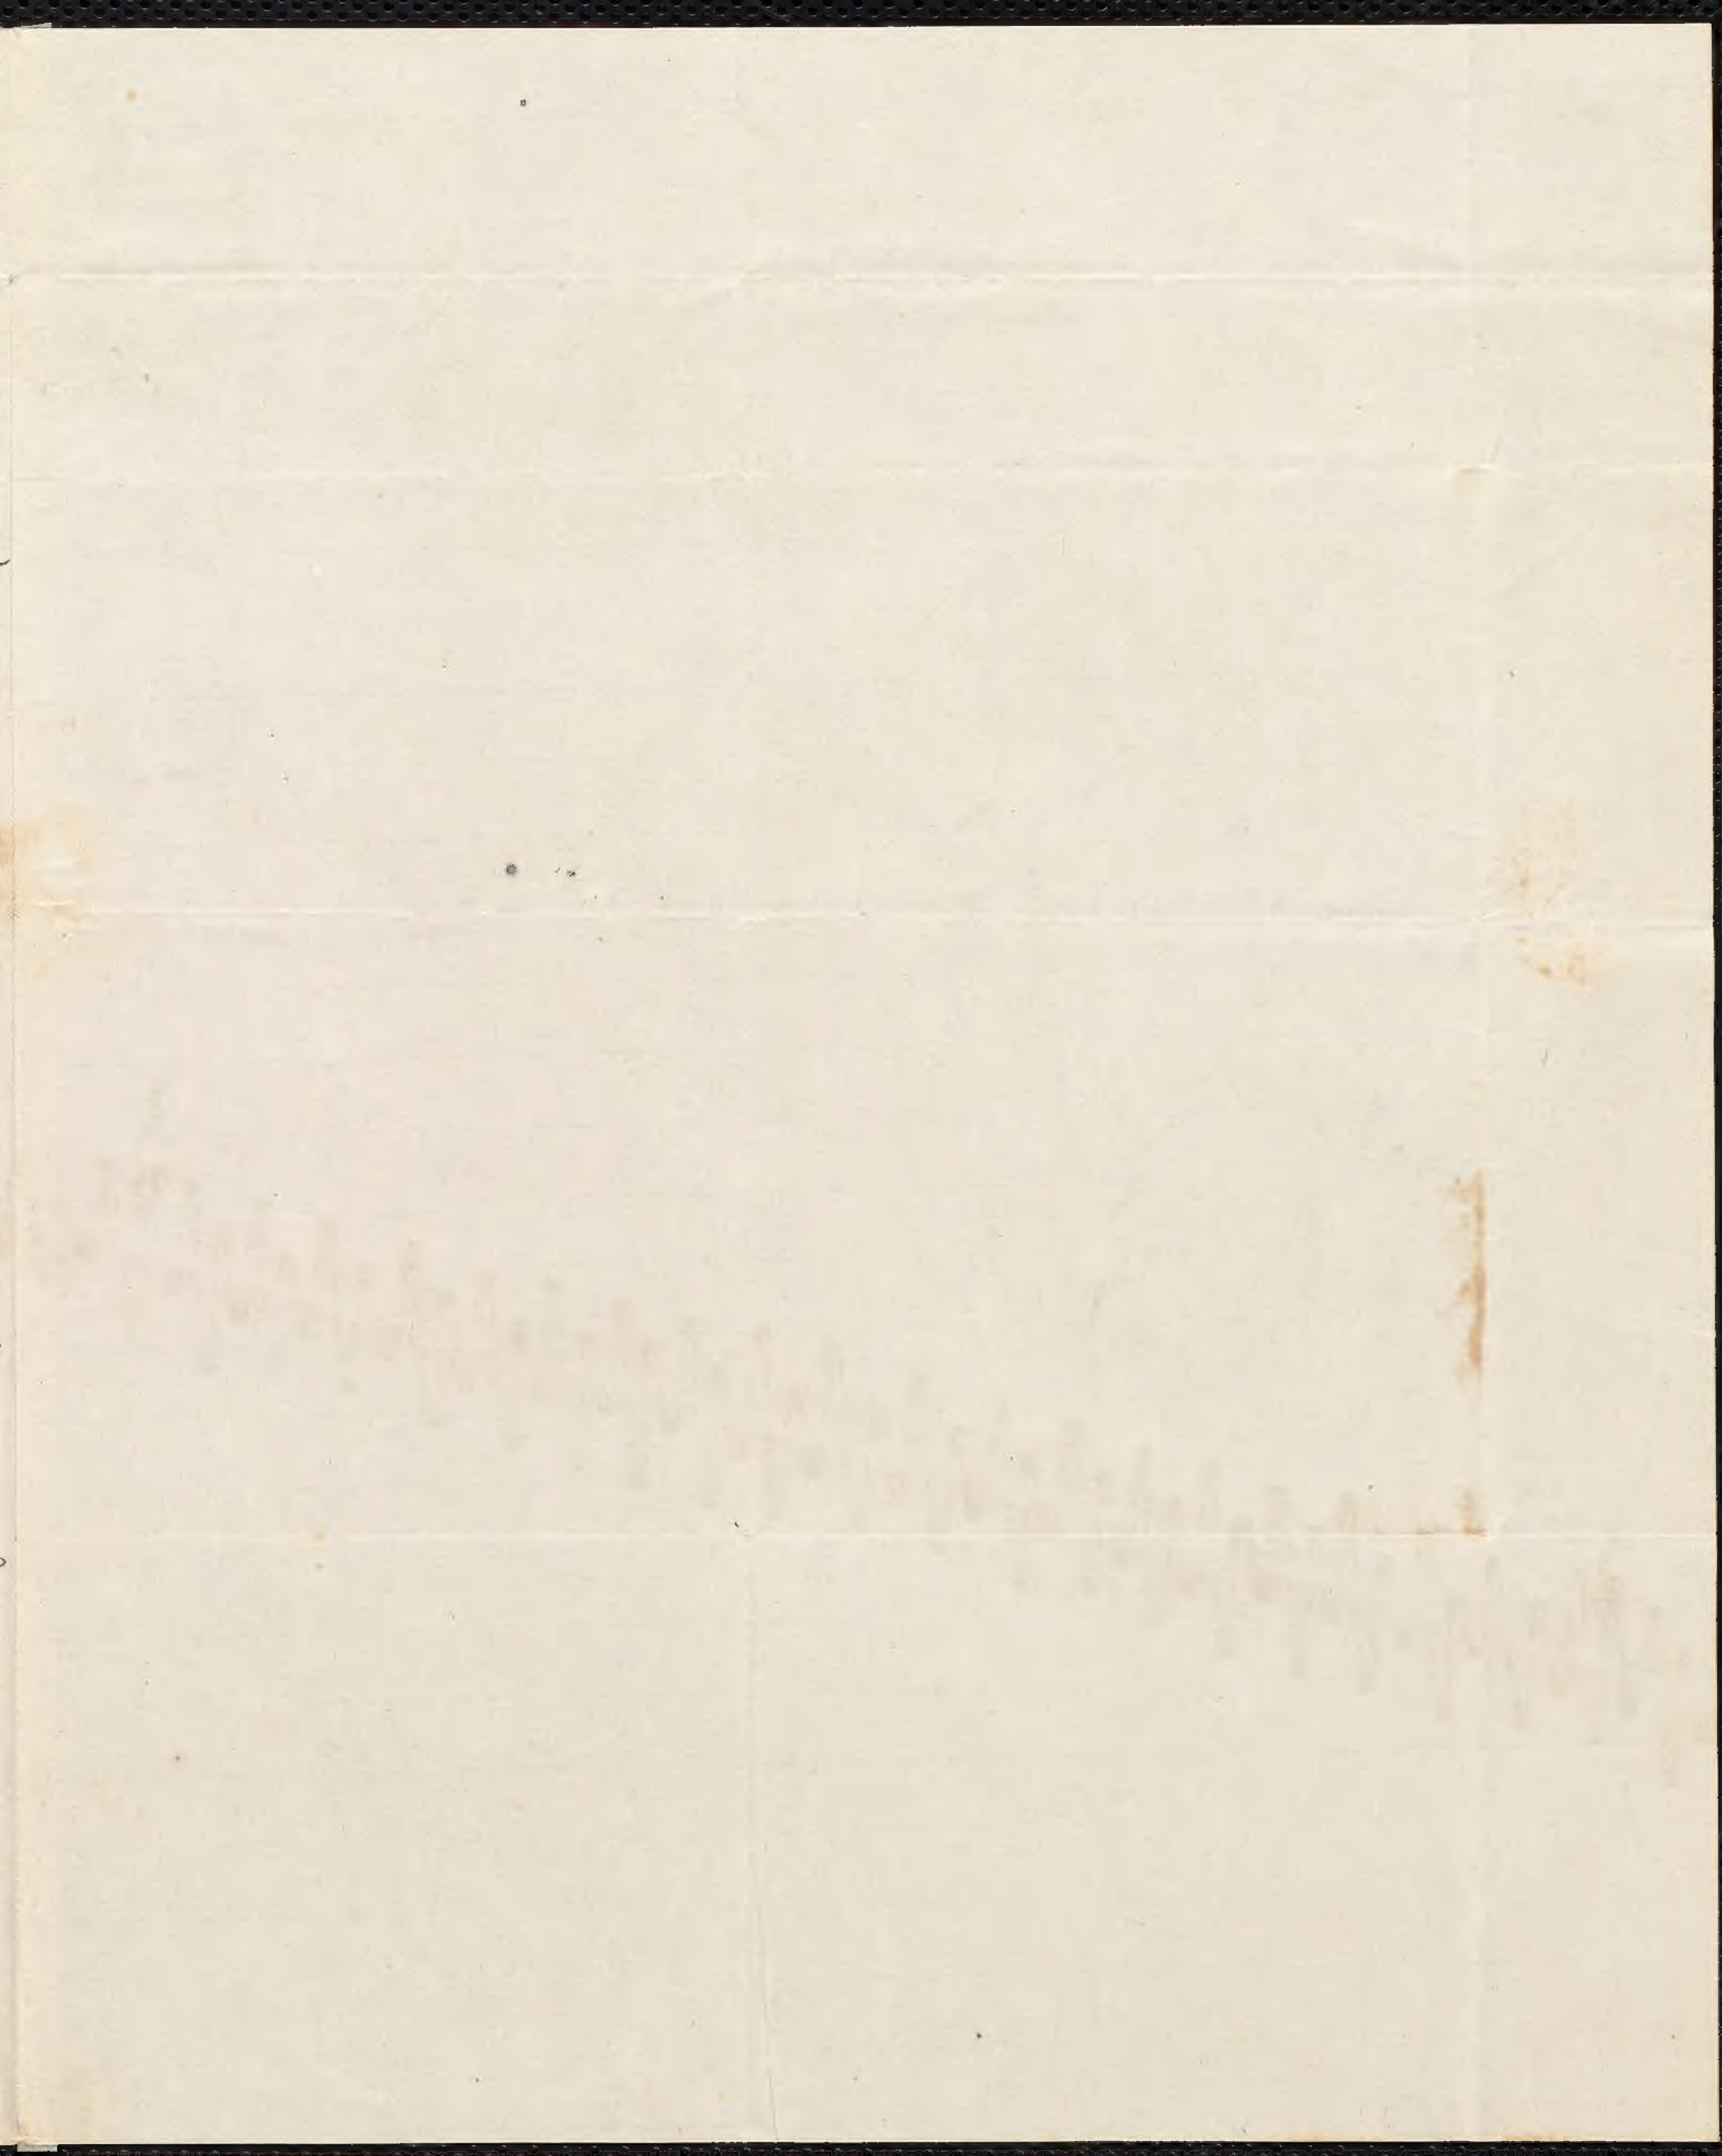

The strong talk of War between Great
Britain and the United States, has
blown off pretty much.

In conclusion I beg the acceptance
of my personal esteem and best
wishes with which I remain most
truly yours in the cause of Liberty

John T. Hilton
